Editor's Note

Recalling our "Keys to Knowledge" is the purpose of the 1959 Akronite. Many new horizons were opened to us and it is the purpose of this book to help us recall these experiences in years to come.

We would like to extend our appreciation to the administration and staff, to the faculty, and to all concerned for their enthusiastic cooperation in making the book possible.

We would like to extend a special word of thanks to Mr. Frank Columbus for all the work and the time that he has given to the production of this yearbook. We especially feel that many of his photographs have added a great deal of interest to the book.

We would also like to thank the businessmen of Akron and vicinity for their generous financial support.

Alma Mater

Not a school in fact or fancy,
 With Akron can we compare.
 May her glory go on shining,
 May her days be fair.
 For the memories that we'll cherish,
 We'll always wish to be back.
 And where'er we go we'll ne'er forget
 Her orange and her black.

Dedication

For the past three years Mr. H. J. Sustakoski has generously given his time and talent to the production of the various school publications. In appreciation of his unfailing help, we the Journalism class, proudly dedicate the 1959 Akronite.

Class Highlights

In 1955, the class of '59 began its first year of participation in high school events. They sponsored the Chantesuta Indian Dancers, who proved to be very entertaining and they served refreshments at the Junior-Senior Ball.

The following September, the Class of '59 assembled once again to work together. In the many events which were sponsored, a new activity was born. This new event was coat checking at basketball games and there were other activities such as selling felt letters, and a bake sale. The class held their picnic at Emery Park. The class officers remained the same with one change, the election of a new president, William Cowan, and a new vice president, Lee Meitz.

In their third year of high school, the class of '59 observed the long awaited event. The class rings were received and admired—it made the struggle of the past eleven years seem worthwhile. Again the

class checked coats. They also held a paper drive, a Disc Hop, and co-sponsored the Junior-Senior Ball. The new treasurer of the class was Richmond Smith.

The final year of school appeared and the seniors met the challenge which was before them. The sold refreshments at both the football and basketball games; checked coats, again; sponsored the Sadie Hawkins Dance. The Seniors also, provided our second foreign exchange student, Tove Malde, with her class ring, senior pictures, and other necessities. The Junior-Senior Ball, the final event of the year was held in May.

The class of '59 extends a hand of appreciation to these leaders: James Silloway, president for three years; Gloria Schlee, treasurer for two years and vice-president once; and JoAnn Long, secretary for four years.

The Senior Cabinet posed as they are for their meetings—*Seated*: Bruning, S.; Clark, N.; Long, J.; Brucker, B. *Standing*: Cory, A.; Mr. Marvin Suttle, advisor; Cowan, W.; Silloway, J., president.

The Student Council of Akron Central School was formed to unify the various activities of the clubs and organizations in this school. Such projects as the Community Chest Drive, Foreign Exchange Program, Splash Parties, scholarship and Career Day were the main accomplishments of this year's council. Numerous other activities took place including the running of a Supply Store, Special Awards Assembly and an Amateur Show. This was a successful year for the council and the support of all the students was the best that it has ever had. Having our second foreign exchange student, Tove Malde, was a truly worthwhile experience and one that many of us will never forget.

The members of the Honor Society are chosen on the basis of scholarship, leadership, character and service. This year it started with seven members before the annual initiation ceremonies. These students are chosen from the upper 25% of their class. A candle-light ceremony is held in May to induct the new members. This is one of the greatest honors which can be bestowed on a student.

At the head of the Honor Society is the president, Gloria Schleef, with the advisor, Mr. Allen—*Sitting:* David Parker, Albert Laese, Margery Babel, and Lee Meitz. *Standing:* William Cowan and Darryl Cummings.

Coached by Thomas Wetzen and Angelo Scappa, and captained by Jim Black and Tony Cory, the Akron "Tigers" were one of the top contenders in the race for the "58" Niagara-Orleans Football League Championship. The Tigers wound up the season with a record of six wins and two losses, and scoring 146 points to their rivals 56.

When the season opened, the Tigers were not expected to have a strong team, for it had a small squad and few experienced veterans from the "57" season. Although after the season opening games it was evident that the Tigers were to be a definite factor in the league championship race. It was sparked with an alert and strong defense and laden with speed and an accurate offense derived from their new and effective "double-wing" formation.

Going into the last game, Akron had 6 wins and 1 loss, and it was possible, if the Tigers defeated the "Mustangs" from Medina, that there would be a three way tie for the league championship; between Medina, Lew-Port, and Ak-

ron. The Tigers and Mustangs fought a vicious game and at half-time the score was (0-0). But due to major losses in the Tiger backfield, they went down to the Mustangs in the latter minutes of the game.

Seniors dominated the "58" squad as they donned their orange and black uniforms for their final season. They were: Jim Burrill, Jim Silloway, Stephen Kraatz, Norm Frey, Tom Porter, Bill Cowan, Ray Middaugh, Jim Letur-gey, Ed Caprio, Jim Black and Tony Cory. The season has left many pleasurable memories with each of these seniors as they fought a winning and exciting season.

The season was sparked by many fine athletes and play combinations as several members from the Tiger squad were given Honorable Mention and placed on the N.O. League All-Star teams. Among these were Jim Black, Ray Middaugh, Jim Burrill, Jim Leturgey and Dave Deahn. Most valuable player awards were made to Norm Frey and Tony Cory.

The Akron Varsity Basketball team of "58-59", under Coach Angelo Scappa, ended its season in the Niagara Orleans League with a six win and a ten loss record. The "Tigers" ended the season in fifth place; averaging fifty points per game. This season the Tigers have rendered Akron their best number of league wins since 1955. The last time Akron won six games before '55 was in 1943.

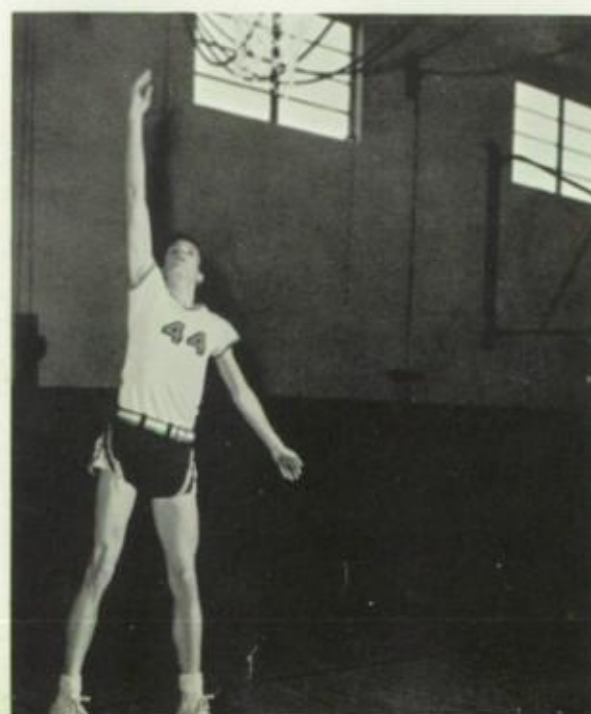

This year the Tigers had a well-rounded team. No one player excelled the rest of the team; thus the team worked well as a whole. Four of the starting five players averaged better than nine points a game, putting them among the league's leading scorers; Jim Black, Tony Cory, Tom Cowan and Norman Frey.

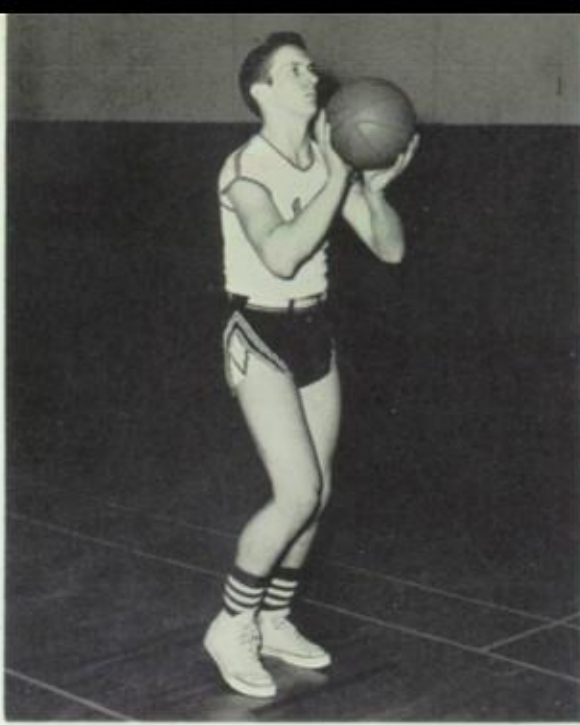

This year's team consisted of nine players. The five seniors that played last game for the Tigers this year

were: Jim Black, Tony Cory, Norm Frey, Tom Perry and Bill Cowan. The other four players were juniors and should form a good foundation for next year's team: Tom Cowan, Bruce Moses, Lewis Sutton and Ron Shimmel.

One of the highlights of the season was the Tigers upset over the "Mustang" of Medina. In the first half it was the Mustangs' game all the way as they led the Tigers by twelve points at half time. In the second half the Tigers staged a thrilling comeback, as they recovered and took the lead to win the game in the final minutes of the game.

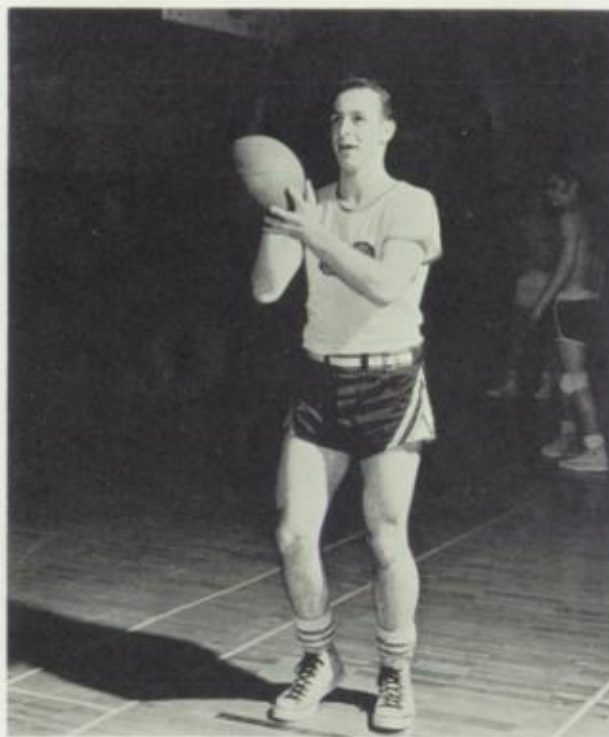

Every season has its heartbreak. This year it came in the second game against Newfane. After an aggressive and well played first half, and after leading throughout the entire game, Newfane rallied to win.

1958 Baseball

The Akron Varsity had a good season with a league record of 8 wins and 3 losses. This record enabled Akron to go into a playoff game with Southwestern for the Class A Championship. Akron lost this heartbreaker by a score of 6 to 5.

Pitching for the tigers in '58 were Tom Cowan, Norm Frey, and Jim Black. Tom was mostly used as a relief pitcher, his mainstay was catching. Norm Frey also pitched but his mainstay was playing field. Jim Black, who also pitched, played in field once in a while. Norm had a 0-1 record and Black had a 7-3 record. Tom Brand had a 1-0 record.

Akron scored victories over Barker, Medina, Wilson, Newfane and Starpoint. They were defeated by Roy-Hart, Lew-Port, Medina and Southwestern.

Approximately seventeen boys practiced diligently under the direction of Coach Schleich. Early in the year, Tom DeYoung and William DeYoung were elected co-captains.

A fine future can be predicted in the coming

seasons, with only the loss of four Seniors, Richard Reno, Jon Zimmerman, Stephen Kraatz, and William Pagels. They will be missed, but a fine group of freshmen, sophomores and juniors can be expected to take up the slack. High scorer for the season was Richard Reno.

Intramural Program

There are nearly one hundred boys participating in each of the boys intramural programs presented. The jr. high is headed by Coach Scappa on seventh periods Fridays and the senior high boys are directed by Coach Wetzen on Thursdays, seventh period. The boys meet for forty-five minutes on these respective days. In the fall they have flag football, in the winter basketball and volleyball. The basketball and volleyball teams have as their captains varsity boys. The captains take roll call, get officials and set up rules. At the end of the basketball season the champions play against the all star team. This year it was won by league champions, Bill Cowan's team.

The girl's intramural program, directed by Mrs. Jan Williams, is run on much the same order as the boys. The jr. high meets on Mondays seventh period and the sr. high meets on Wednesdays. In the fall the girls play field hockey, in the winter basketball and volleyball and in the spring softball. The sr. high girls have participated in several basketball games against the Finger Lakes League and have also been host to them.

Badminton, a fairly new sport to ACS, is a co-ed sport. The girls and boys practice after school and take turns playing each other. The top three teams go to Batavia and play in the sectionals.
